

V

A. No sir, I know the time I arried there and the time I left the factory.

Q. First, I want you to state what he said he did, and what he said Mr. Frank did, and then come up on the time business?

A. I don't quite understand what I am to do.

Q. Just go ahead and tell what Conley said he said, and what Conley said Mr. Frank said, and show what Conley did the day you were over there, take it up right back here where the body was and go on with it, leaving out, however, what he said about the cord and all that?

A. He said when he found the body, he came up to Mr. Frank, called to him from some point along here, I should judge (indicating on diagram), I don't understand this diagram exactly, and told him the girl was dead, and I don't know just exactly what Mr. Frank said, I will try to eliminate as much of that conversation as I can. Anyhow he said he came on up to where Mr. Frank was, and that he was instructed to go to the cotton room, where he showed us. I don't know, it must be on the same side of the building, about here, I judge, (indicating) and he went in there, he showed us the cotton room, and he said he went back, and he did go back, lead us back, and told about taking up the body, how he brought it on up on his shoulder, and then in front of a little kind of impression of the wall, said he dropped it, and he indicated the place, and then he came up and told Mr. Frank about it, that he would have to come and help him, or something like that, and that Mr. Frank came back and took the feet, I believe, he said, and he took the head, and they brought the body up to the elevator and put it on the elevator.

Q. (By the Court) Was he going through all that thing?

A. Yes sir, he was enacting this all the time, and talking all the time, He. described how the body was put on the elevator, and he said Mr. Frank run the elevator down, and he went on down the elevator.

Q. (By the Court) Did he go down in the elevator?

A. On this trip, yes sir, he went down in the elevator to the basement, and he said Mr. Frank ^{helped} to take the body out, and they dropped it there, and Mr. Frank told him to take it up
