

paint back in bottles. Of course if a bottle would break the paint would get all over the floor. The white stuff there didn't hide the red at all. You could see it plainly.

RE-DIRECT EXAMINATION.

The pencils are painted on the third floor. There isn't any paint used at all in the factory only in the polishing room, except on the third floor.

I went to Mr. Frank's house Monday morning after the murder about 7 o'clock. I went out there and got him and took him to the station house. He was at the station house two or three hours. I told him Chief Lanford wanted to see him.

CROSS EXAMINATION.

I saw Mr. Rosser and Mr. Haas at the station house about 8:30 or 9 o'clock. Mr. Black and I both went out for Mr. Frank Monday morning. We took him to the station house and turned him over to Chief Lanford. They had Mr. Frank in there and a half dozen detectives, and Mr. Haas and you were there. When we went out to Mr. Frank's house he went with us. As to whether he had to go or not, I suppose if he had resisted we would have taken him. It was not a question as to whether he wanted to go or not, but he didn't know he had to go. As to why two of us went out after him--two of us generally go together after anybody, because if he don't go voluntarily, he would go anyhow,--we would take him.
