Mr. Schiff said it had "June" on it when he read it. ^{I can't read, but} He read that note and he read "June something," "it was on the outside of the note. It was on the back of the note. The reason I know she left the factory during Christmas because Mr. Dalton told me she was ^{it} coming back. He told me that one Saturday coming down to the factory. I never have seen Mr. Dalton except at the factory. No, he doesn't work there. I saw him somewhere along in January. He came out that time by himself. He and a lady had been down in the basement. The second time I think there were some young ladies working up on the fourth floor. I don't know about the third time. I don't know whether anybody was working there Thanksgiving or not. I didn't see Mr. Schiff at all. I will swear that he was not in the office with Mr. Frank. I don't know whether any ladies were working there the next time or not. I have been back in the metal department, but I never have been on the right hand side where the machines are. I have swept on the second floor, but not in the metal department.
