 convicted he is my negro. I knew about the reward being offered. If I told you that I sometimes left the factory at three o'clock I meant four o'clock. Jim Conley worked regularly at the factory except when he was in the stockade thirty days. Conley registered every morning, but a lots of times he would not register at dinner and sometimes at night. I nailed up the door that leads into the Clarke Wooden Ware place on Monday because we never let that door stand open. Mr. Darley told me to do it. I know it was not open on Saturday. It was nailed up Saturday noon when I left there and it was open Monday when I got there. The chutes back there were nailed up. The one next to the rear end of the building I know was nailed up to keep the Clarke Wooden Ware people from coming up through there. Boxes were piled up back in there. That stairway back there has been nailed up for some time. Hasn't been used since Christmas. If the negro went out and bought beer I didn't know it. I never saw him. I don't recollect whether the dr ayman was up there April 26th to get his pay or not. There was so much excitement in the factory on Monday that we shut down about 9:30. Nobody stayed at their work. Jim Conley quit work like everybody else and went out. As to one thing that Conley did that the others didn't do I haven't got any. The short he was washing was the same short he has been wearing all day. I say that he was trying to hide the shirt because he was trying to push it over behind the pipe where you couldn't see it. He had the shirt on when he was arrested. He was not trying to hide it then.

RE-CROSS EXAMINATION.

I was subpoenaed to Mr. Dorsey's office by regular court subpoenas. I thought I had to go there. There were three or four men when I got there.
