

I paid off the help on Friday, April 25th, from the pay window outside of the office. I remember paying off Helen Ferguson that day. Nobody came up to ask for Mary Phagan's pay. Before any one could get another's envelope, they have to have a note to that effect. There was no reason for anyone to go to Mr. Frank to get their pay Friday, April 25, I was at the window paying off employees. We had posters put up all over the factory announcing that Saturday would be a legal holiday and that the factory would be closed. Those who would not call for their pay would frequently come in on the next working day, which in this instance would be Monday. No one could really know whether anyone was coming in for their pay on Saturday or not. Helen Ferguson did not ask for Mary Phagan's pay Friday, April 25th. Mr. Frank and I left the factory between six and six thirty that day. I was supposed to get up the pencil contracts for the week on Friday. It was necessary to get this up in order to complete the financial sheets. I did not get them up on Friday, because I had to pay off on Friday, and as the week only closed on Thursday night, we had all we could do to figure out the pay roll and get the money before the bank closed at 2 o'clock on Friday. That threw extra work on Mr. Frank in getting up the financial on Saturday. I intended to come back to ~~xxx~~ the factory on Saturday morning, but overslept myself. Mr. Frank called me by telephone twice on Saturday morning. My maid answered the telephone. That picture (State's Ex. "A") shows Mr. Frank's office, inner office, to be bigger than the outer office. As a matter of fact the outer office is twice as large as the inner office. The picture shows an inaccuracy as to the relative position of the elevator shaft from the outer wall of Mr. Frank's office. It is directly opposite the ~~entrance~~
