extra, but I don't know what paper it was. I knew that he could write because I had seen him do it several times, with pen and ink. I don't know whether he was making up his reports of boxes, but I have seen him writing. Yes, I have seen spots along the route from the ladies closet to the elevator ever since I have been there. They have red varnish and red paint and such things like that that look like blood. I am sure there are spots all around in the metal room, but I won't say they look like the spot near the ladies dressing room
