were out of material and she was laid off for the rest of the week. I have never seen Mr. Frank speak to her. I went to the factory on April 26th, to see Mr. Schiff. He was not there. I often go to the factory on Saturdays and holidays. The street doors were open when I got there. I did not see Mary Phagan, nor Jim Conley, nor Monteen Stover. The doors to Mr. Frank's inner and outer office were open. The time I reached Mr. Frank's office was about 12:20. I saw Mr. Frank on Sunday at Bloomfield's undertaking establishment in the afternoon. He had on a black suit. On Saturday he had on a brown suit. There was no blood spots under the machine where Barrett claims to have found the hair. On Monday Mr. Frank had on a brown suit. There was no blood at the spot where Conley claims the body of the girl was found. It was perfectly dry there, there was no water on the floor.

I never mentioned it to Barrett either. I told Chief Lanford on the following Monday that I was at the factory. I told it to Frank on Tuesday. He said he would mention it to his lawyers. I told Frank I didn't like to be brought into it, but if it would help him in any way I would do it. As to whether I told or not was up to Mr. Frank. He afterwards told me that his lawyers advised him to
