

CROSS EXAMINATION.

The time is fixed in my mind because we ate dinner athalf past one and we had just finished. I was not looking for any scratches or bruises, but I certainly would have seen them if they had been there. I was close enough to him to have seen him.

JULIAN LOEB Sworn for the defendant:

I live at 380 Washington Street, across the street from the Wolfsheimer residence. I am a cousin of Mrs. Frank. I saw Mr. Frank on April 26th in front of the Wolfsheimer residence. I was there when he came by. It was between 1:50 and 2 o'clock. He was talking to Mrs. Michael and Mrs. Jerome Michael and was inviting them to attend a meeting of the B'nai B'rith lodge on the next day which was Sunday. He was president of that lodge. He left and walked towards town up Washington St. towards Glenn. I didn't see him catch the car.

COHEN LOEB Sworn for the defendant.

I was on the car with Mr. Frank going back to town on April 26th after lunch. I caught the car at Georgia Ave. and Washington St. He caught the car at Glenn and Washington St. which is one block nearer town. That was about 2 o'clock. It was a Washington St. car which goes straight up Washington St. to the Capitol and turns down Hunter. We sat together on the same seat on the car. Mr. Frank got off the car about two or three minutes before I did. He got off in front of the Capitol at about 2:10. The car was blockaded by the crowd which was watching the parade. Mr. Frank went down Hunter St. There was nothing unusual about him. No marks, or scratches or spots on him. He had on a brown suit and a derby.

CROSS EXAMINATION.
