

a single thing immoral that he did do in those five years. I have never heard of his going in the girls' dressing room. I have never heard of his slapping them as he would go by. I have never heard Mr. Frank talk to Mary. I have never heard of the time Mr. Frank had her off in the corner there when she was trying to go back to work.

MRS. DORA SMALL, Sworn for the defendant.

I worked on the fourth floor of the pencil factory for five years. I saw Jim Conley on Tuesday. He was worrying me to get money from me to buy a newspaper and then he would come and ask me for copies of the paper before I would get through reading them. They were extras. He would even get two of the same edition. He would take it and run over there and sit on a box by the elevator and read it. He can read alright. He had on an old Norfolk coat with a belt around it and it buttoned just as tight around his neck as it could be. Before that he had gone around there all open and loose and as slipshod as he could be. I could not tell whether he was wearing a shirt or not because his coat fastened up so tight. He told me "Mr. Frank is just as innocent as I am and he says, "God knows I was noways around this factory on Saturday." I didn't see Mr. Frank talking to Jim anywhere in the factory on Tuesday. I have never seen him talk to that nigger in my life. I have never been down in Mr. Frank's office after hours, drinking or doing anything wrong at any time. I have known Conley for two years. His general reputation ~~is~~ for truth and veracity is bad. I don't know of any nigger on earth that I would believe on oath.

CROSS EXAMINATION.

I would not believe Snowball on oath. I would not believe any nigger. I got a fifty cent raise in salary about four months ago. I have got no raise since Mr. Frank
