when he was at my house Sunday morning. He had already been to the undertakers. He told me they had taken him into a dark room and ~~fix~~ flashed on a light, and he said he saw the little girl there. He described how she looked. He said her face was scratched and her eye was discolored, and she seemed to have ~~agahh~~ in her head. Her mouth was full of sawdust and he described her in a general way. He did not call my attention to his being nervous. He did not say anything to me about an attorney or about having been to police headquarters. I don't know whether he had been to police headquarters or not. I authorized the employment of the Pinkertons on Monday. I had not then employed counsel. My sending Mr. Herbert Haas to see Mr. Frank was not employing counsel. I made no trade with Mr. Haas. Don't know who is paying his fee. I have not contributed anything towards it, nor has the Pencil Company. The Pencil Company is employing the Pinkertons. As to whether they have been paid yet or not, they haven't requested their pay. They have sent bills two or three times. I received the reports from the Pinkertons. They came sometimes every day and then sometimes they didn't for a few days. I got the report about finding the big stick and the pay envelope. I did not request the Pinkertons to keep the finding of the stick and the envelope from the police and authorities. We have little accidents almost every two weeks in the factory. There was one big accident about a year ago, a machinist Gilbert, had his head bursted open in the metal department. That was about a year ago. The insurance company ordered us to clean up the factory about a week after Mary Phagan's death.

REDIRECT EXAMINATIONS Superintendent Pierce of the Pinkertons told me that his reports would be furnished to the police before they came to me.

TRUMAN McCRARY, c. Sworn for the defendant.

I am a drayman on the streets of Atlanta. I work for the National Pencil Company. I have hauled for them. I have drayed for them most every Saturday for the past three years. I would work on Saturday afternoons until half past three and sometimes as late as five.
