

to Whitfield and said "take it to the door and see what it is". It was pretty dark in there. Right in the same corner, I also found a club, (defendants exhibit 48). It was standing up on the doorway with some iron pipes. The club is used by the dray man as a roller to roll boxes and barrels on. The iron pipes there were used for the same purpose. The satins on the club were either paint or blood, I don't know which. I found this little stick back of the front door (State's exhibit L).

CROSS EXAMINATION. I saw the spots in front of the ladies dressing room. It just looked as if the floor had been stained. There are half a dozen places. There was no difference in appearance between the dark spots by the water cooler and the other spot in the metal room. I did not make any special search on the office floor for a pay envelope. I was looking for the mesh bag under the instructions of Mr. Scott. Mr. Whitfield joined me in the search. In my report to the Pinkertons I reported that I found what I took to be blood satins around the trap door. they were dark discolorations. There were seven of them, averaging about seven inches in diameter. The gas was turned on and I used matches in examining them. I had found the stains first and while Mr. Whitfield and I were back there looking behind the radiator, we found the cord and twine about the radiator. Whitfield was examining the stains when I picked up the envelope which was all rolled up. I found the envelope about three o'clock on May 15, within eight or ten inches of the trap door. The name was written in lead pencil. So far as I know, the envelope has not been changed any since I saw it last. I did not see any "5" on the envelope. We went out to see Mr. and Mrs. ~~Wells~~ Coleman on May 17th, and showed them the envelope. There was no "5" on it at that time. There was no conversation about any five. I had ~~x~~ talked to Mr. Schiff before I saw Mr. Coleman. In my report I stated that the stains might have been bolld as well as stains. I reported the finding of this club to the police 17 hours after finding it. And within four hours thereafter, I had a conference with them about it. I never showed that whip to anybody (State's exhibit L) I didn't
