Resolved:- That the members of the Board present, after carefully considering the charges and all evidence in its possession, unanimously agree that while there have been certain slight irregularities in the conduct of some departments of the laboratories of the State Board of Health, which should be corrected, these irregularities have not been so important in character or result as to call for or warrant the discontinuance of Dr. Harris as Secretary and director of laboratories as demanded by the President. The Board further directs that a copy of this resolution be transmitted to the Governor."
