Miss Hattie Hall's testimony before Coroner's inquest, as follows:-

"He (Mr. Frank) came to Montag's before I went to his office. I went to his office after he went back, somewhere between 10:30 and 11. I didn't notice the clock. As to whether I got any financial sheet on Monday, or not, I remember the previous Saturday I was at the pencil factory and I helped him make up the financial sheet. I filled in part of it. I suppose by that he must have got it up. I transferred some of the things to that sheet. Mr. Frank made up most of the work and I transferred some of the things to that sheet. I really don't remember whether it was morning or afternoon. It was morning. I don't work on Saturday afternoons. I don't remember that I was in the inner office with him at any time except when I was taking the letters. He was pretty quiet in there. I suppose he was at work."
