

where was the money he said he was going to give me and Mr. Frank said "here, here is ~~the~~ two hundred dollars," and he handed me a big roll of green back money and I didn't count it, I stood there a little while looking at it in my hand, and I told Mr. Frank not to take another dollar for that watchman I owed and he said he wouldn't - and the rest is just like I have told it before.

The reason I have not told this before is I thought Mr. Frank would get out and help me out, but it seems that he is ~~not~~ going to get out and I have decided to ~~next~~ tell the whole truth about this matter.

While I was looking at the money in my hands, Mr. Frank said "let me have that and I will make it all right with you Monday if I live and nothing happens," and he took the money back and I asked him if that was the way he done and he said he would give it back Monday.
