

30 minutes. I was in the automobile with Mr. Frank and Mr. Black and his leg was shaking. He was under arrest at the time.

**CROSS EXAMINATION.**

I don't know what he was doing in the office. I saw some other people up there that I didn't recognize. I was sent to the pencil factory to notice Mr. Frank and the pencil factory. I thought Mr. Frank would be arrested.

J. L. BEAVERS, sworn for the State.

I am Chief of police of the City of Atlanta. I was at the pencil factory on Tuesday, April 29th, and saw what I took to be a splotch of blood on the floor right near this little dressing room on office floor, seemed to be as big as a quarter in the center and scattered out in the direction of this room near the door. There was one spot and some others scattered around that.

**CROSS EXAMINATION.**

It may have been Monday that I was at the pencil factory. I don't know whether it was blood or not. It looked like blood.

R. M. LASSITER, Sworn for the State.

I am a city policeman. On Sunday morning, April 27th, I found a parasol in the bottom of the elevator shaft. It was lying about the center of the shaft. I also found a ball of rope twine, small wrapping twine, and also something that looked like a person's stool.

**CROSS EXAMINATION.**

I noticed evidence of dragging from the elevator in the basement. As I passed the rear door at 12 o'clock, the door was closed. The umbrella was not crushed. I found it between 6 and 7 o'clock in the morning. The elevator comes down there and hits the ground plump at the bottom of the basement.

**RE-DIRECT EXAMINATION.**

I don't know whether the elevator shaft has a cement bottom or not. There is a whole lot of trash at the bottom.
