

J. R. LEACH, sworn for the Defendant.

I am division superintendent of the Ga. Ry. & Power Co. I know the schedule of the Georgia Avenue line and the Washington St. line. The Georgia Avenue line leaves Broad and Marietta on the hour and every ten minutes. It takes two minutes to go from Broad and Marietta to the corner of Whitehall and Alabama. It takes 12 or 13 minutes to run from Broad and Marietta to the corner of Georgia Avenue and Washington St., about ten minutes from Whitehall and Alabama to Georgia Avenue and Washington St. The Washington St. car leaves Broad and Marietta two minutes after the hour and every ten minutes. It gets to the corner of Whitehall and Alabama St. in two minutes and it takes ten minutes from Whitehall and Alabama to Washington and Georgia Avenue and ten minutes from Glenn and Washington Sts. into center of the city.

**CROSS EXAMINATION.**

The men come in ahead of the schedule time. I suspended a man last week for coming in ahead of time. It happens that cars come in ahead of time. You sometimes catch the men in ahead of time when they are going to be relieved. It isn't a matter of impossibility to keep the men from coming in ahead of time, but we do have it. The English Avenue line is a hard schedule. It frequently happens that the English Avenue car cuts off the River car, and the Marietta car. I have seen the English Avenue car cut off the Fair St. car, which is due at five after the hour.

K. T. THOMAS, sworn for the Defendant.

I am a civil engineer. I measured the distance from the intersection of Marietta and Forsyth St. to the pencil factory on Forsyth St. It is 1,016 feet. I walked the distance, it took me four and a half minutes. I measured the distance from the pencil factory to the intersection of Whitehall and Alabama; it is 831 feet. I walked the distance and it took me 3 1-2 minutes. I measured the distance from the pencil factory to the corner of Broad and Hunter; it is 333 feet. I walked it in a minute and three quarters. I walked at a fair rate.

**CROSS EXAMINATION.**

I could have walked it more rapidly and made it in three minutes. A man would have to walk slower than I walked to take him 6 minutes to go from Marietta and Forsyth to the factory.

L. M. CASTRO, sworn for the Defendant.

I walked from the corner of Marietta and Forsyth St. to the upstairs of the National Pencil Factory on S. Forsyth St. at a moderate gait. It took me
