

the fourth floor and I had nothing to do with the boxes on the second floor. On Saturday mornings the factory would close at about 11:45 A.M. and I was always busy at my work cleaning up the fourth floor so as to be able to get off promptly at closing hour. This box room is immediately across a small aisle from a large working room where about fifteen ladies are at work and it is also within 50 or 60 feet of the office, where the entire office force are and at the other end of the hall within about 50 or 60 feet is the metal department where a number of people work and if I had made such an attack against Miss Ferguson, I would have done it with full knowledge that one scream from her would summon a large number of people. I never heard of any such charge against me before and Miss Ferguson never complained about what she says.

14TH GROUND.

C. B. DALTON, Sworn for the State I have just read over the report of my testimony as contained in the brief of evidence approved by Judge Roan in that trial and every word of my evidence is the absolute truth. That evidence is as follows:

"I know Leo M. Frank, Daisy Hopkins and Jim Conley. I have visited the National Pencil Company three, four, or five times, I have been in the office of Leo M. Frank two or three times. I have been down in the basement. I don't know whether Mr. Frank knew I was in the basement or not, but he knew I was there. I saw Conley there and the night watchman, and he was not Conley. There would be some ladies in Mr. Frank's office. Sometimes there would be two, and sometimes one. Maybe they didn't work in the mornings and they would be there in the evenings.

CROSS EXAMINATION. I don't recollect the first time I was in Mr. Frank's office. It was last fall. I have been down there one time this year but Mr. Frank wasn't there. It was Saturday evening. I went in there with Miss Daisy Hopkins. They were ladies. Sometimes there would be two and sometimes more. I don't know whether it was the stenographer or not. I don't recollect the next time I saw him in his office. I never saw any gentleman but Mr. Frank in there. Every time I was in Mr. Frank's office was before Christmas. Miss Daisy Hopkins introduced me to him. I saw Conley there one time this year and several times on Saturday evenings. Mr. Frank wasn't there the last time. Conley was sitting there at the front door. When I went down the ladder Miss Daisy went with me. We went back by the trash pile in the basement. I saw an old cot and a stretcher. I have been in Atlanta for ten years. I have never been away over a week. I saw Mr. Frank about two o'clock in the afternoon. There was no curtains drawn in the office. It was very light in there. I went in the first office, near the stairway. The night watchman I spoke of was a negro. I saw him about the first of January. I saw a negro night watchman there between September and December. I lived in Walton County for twenty years. I came right here from Walton County. I was absent from Walton County once for two or three years, and lived in Lawrenceville. I have walked home from the factory with Miss Laura Atkins and Miss Smith.

RE-DIRECT EXAMINATION. I gave Jim Conley a half dozen or more quarters. I saw Mr. Frank in his office in the day time. Mr. Frank had coca-cola, lemon and lime and beer in the office. I never saw the ladies in his office doing any writing.

RECALLED FOR CROSS EXAMINATION. Andrew Dalton is my brother-in-law. John Dalton is my first cousin. I am the Dalton that went to the
