

had made the affidavit. I never saw Arthur Thurman in my life. I do not know whether Messrs. Arnold and Rosser were talked to about this matter or not. I never talked to them about it. I do not know of any money being paid out, either to Ragsdale or Barber, nor to Thurman or Tedder. I never paid a cent and never authorized a cent to be paid. I do not think this thing would be handled by somebody on the side who would not report to me, in order to keep me from knowing it. I don't think such a thing would occur. He would be violating the rules of our agency absolutely to do anything of the kind. I did not hear through any source connected with this case or in any way that Carlton C. Tedder had been supplied money for the purpose. I am <sup>more</sup> familiar with the Annie Maud Carter proposition than with the Ragsdale proposition. No, it was not my particular discovery. I didn't work up that angle. I don't know who worked up that angle. I found the girl at Mr. Haas' office, on the day she made the affidavit. I never heard of her before. Yes I came in contact with a Mr. Wrenn. I have seen both of them, Jimmie Wrenn and George Wrenn. I did not see George Wrenn before he was released from the Tower. I saw them while they were working for C.W. Burke. I never saw Mr. Frank in the jail in company with Mr. Burke in my life. I never saw ~~Dr. Wrenn~~ Mr. Frank when Dr. Wrenn was there. Nothing was said to me about what was going on when Dr. Wrenn was down there. Nobody ever handled anything through Wrenn. The first time I ever saw Wrenn I sent for him and he came to my office. I asked who was familiar with those letters and they said Wrenn was, and I sent for him and asked him to sit down and translate them, which he did. It was a young fellow about 25 or 26 years old. He is the taller of the two. Wrenn read it. Leonard Haas afterwards furnished the translation. I am telling you Dr. George Wrenn did it first and then Leonard Haas did it afterwards. Dr. Wrenn did it for me. Two of the counsel were present, Leonard and Herbert Haas. I could not say how long that was previous to the beginning of the hearing up here on the extraordinary motion. It has only been four or five days ago. It was two or three days, I think before that that I had been in possession of these notes. I do not know that they have sought to have them photographed before that more than that length of time. I got the notes from C.W. Burke, a little
