

her to close the door on her mother when she went to go out and tell her to stay there. I did not talk to Mr. Edmondson, the stepfather of this little girl, right there. I never saw him but once in my life. I did not talk to Dr. Claud Smith, the city Bacteriologist. I did not talk to the two doctors who were employed by the defense to ascertain whether or not that was blood on the second floor. I did not get their names or know anything about their report. I made a thorough inquiry about it. I made an investigation at the factory and the witnesses attached to the factory. I did not talk to Mell Stanford, Mrs. Jefferson, or R.P. Barrett. I did not find out from Frank who that was present with him when he got down on his knees and examined those blood spots. I never heard of it. I never saw Duffy in my life, and didn't discuss that with him. I don't know him. I never interviewed him. I never talked to Newt Lee. ~~the~~ I examined the blood spots on the first floor, where they chipped ^{it} / up. I did not examine the ^{alleged} / blood spots down in the area where Jim Conley is said to have been sitting, but I had an interview with Mr. McWorth, Mr. Whitfield, and they told me what they had found and then we examined some spots still there, and where they said they had been chipped up there. I think Whitfield has been working for me. I did not take him into my employ, Mr. Sears did. I talked to him about those blood spots. I did not have an analysis made of them, I never saw those chipped up from there. I never saw those around the elevator area; they were turned over to the Pinkertons and thrown away. It is my understanding that they were turned over to the Pinkertons. I have been there and seen the floor. There was something chipped up there, on the street floor near the scuttle hole. I know what Mr. Whitfield and Mr. McWorth told me, that they chipped them up and turned them over to Scott, or Pierce, I forget which, of the Pinkertons. McWorth is now an assistant at my office. He is retained to handle all matters. I saw the club McWorth and Whitfield reported to me. I saw it in Mr. Haas' office, and there was blood on it. I am more capable of looking at a man and saying he is a pervert, than looking at spots and tell they are blood or not blood. My next business engagement is out in
