

ALL LAW VIOLATED BY WARTIME RULE IN STRIKE REGION

So Decide Probers After First Day's Investigation of Conditions in the West Virginia Coal Fields.

ABSOLUTE DOMINION ASSUMED BY MILITARY

Members of Commission Admit Trials Were Conducted Without Regard to Civil Laws of State.

Charleston, W. Va., June 11.—Wartime rule in the coal strike regions of West Virginia was described before the senate mine investigating committee here today, and after three military officers had described conditions the committee expressed itself as to the charge that the "citizens of West Virginia had been tried and convicted in violation of the constitution and laws of the United States."

Two members of the military commission which at three different times assumed absolute dominion over some 150 square miles of West Virginia territory testified this afternoon. They were Captain Charles R. Morgan, a lawyer, and Major James I. Pratt, who was president of the second military court which took charge of the strike district. Both told the committee that their proceedings were conducted without regard to the civil laws of the state; that they arrested, arraigned, tried and convicted offenders in the strike zone without recourse to process of the civil courts and imposed sentences without regard to the limitations imposed by the statutes of West Virginia.

Acted As in Wartime. "We considered the entire strike district was in a state of actual warfare," said Captain Morgan, with soldierly frankness, "and we acted accordingly to the provisions of the United States army in time of war."

Both Captain Morgan and Major Pratt asserted that the commission did not feel limited by the statutory provision fixing punishment for offenses, and Major Pratt gave several instances of sentences imposed by the commission exceeding the statutory punishment.

A dozen pictures of men, clad in prison clothing and with heads shaven, were shown to the committee by Major Pratt as men who had been sentenced by the military commission and sent to jail. One was given a sentence of seven and a half years for perjury, several others were given three to five-year terms for "interfering with officers."

Senator Martine ascertained that after the commission had heard the

Woman Suffrage Bill Passed in Illinois House

Governor Will Sign Measure Giving Women Right to Vote for All Statutory Offices.

Springfield, Ill., June 11.—The woman's suffrage bill, granting women the right to vote for all statutory offices in the state of Illinois, was passed by the house today by a vote of 83 yeas to 58 nays.

Fearing notice of a motion to reconsider the vote by which the bill was passed, it will remain in possession of the house. Unless the house reconsiders its vote, which is considered not likely, the suffrage bill will be up to Governor Duane. The latter part of the present week for executive approval or veto.

In order to give notice of a motion to reconsider, Representative McCarty, democrat, of Chicago, changed his vote from "nay" to "aye." He gave the formal notice that on the next legislative day he would move a reconsideration.

The limited suffrage bill, which is now only a few steps from becoming a law, was introduced in the senate on February 11 by Senator F. S. McGill, republican, and was passed by the upper branch of the general assembly early in May.

Chicago, June 11.—The women's suffrage movement in Chicago was jubilant tonight over the news from Springfield.

Although we are given the right to vote for president and most important offices, although it will require an amendment to the state constitution still further to extend our suffrage so that we will have full suffrage, the fact that an eastern state has taken this step is a great impetus to a national movement.

Chicago, June 11.—Rental charges of approximately \$5,500,000 should be made against the postal service for the use of space in federal buildings throughout the country, according to former Senator Jonathan Bourne, jr., chairman of the congressional commission investigating matters of railway mail service and second-class postage.

SUGAR LOBBYISTS ACCUSE WILSON OF UNFAIRNESS

Say They Were Told They Would Have Nothing to Fear From Free Sugar Under His Administration.

ADMIT THEY ATTEMPTED TO CREATE "BACK FIRES"

Witnesses Don't Deny They Constitute Lobby, But Declare Actions Afe Not "Insidious," But Legitimate.

Washington, June 11.—Investigation of the "sugar lobby" by the senate lobby committee today was to a marked extent a controversy over whether President Wilson had given the sugar producers reason to believe they would have "nothing to fear" from free sugar under his administration.

Out of the day's testimony, in which Louisiana and Hawaiian witnesses repeatedly declared they had not received fair treatment from the president and had been misled by others as to his purpose, the committee succeeded in drawing what are believed to be some of the most important facts thus far developed. Some of the sugar men frankly admitted they constituted a "lobby," although they objected to the charge that any of their actions had been "insidious" or in any way illegitimate or underhanded.

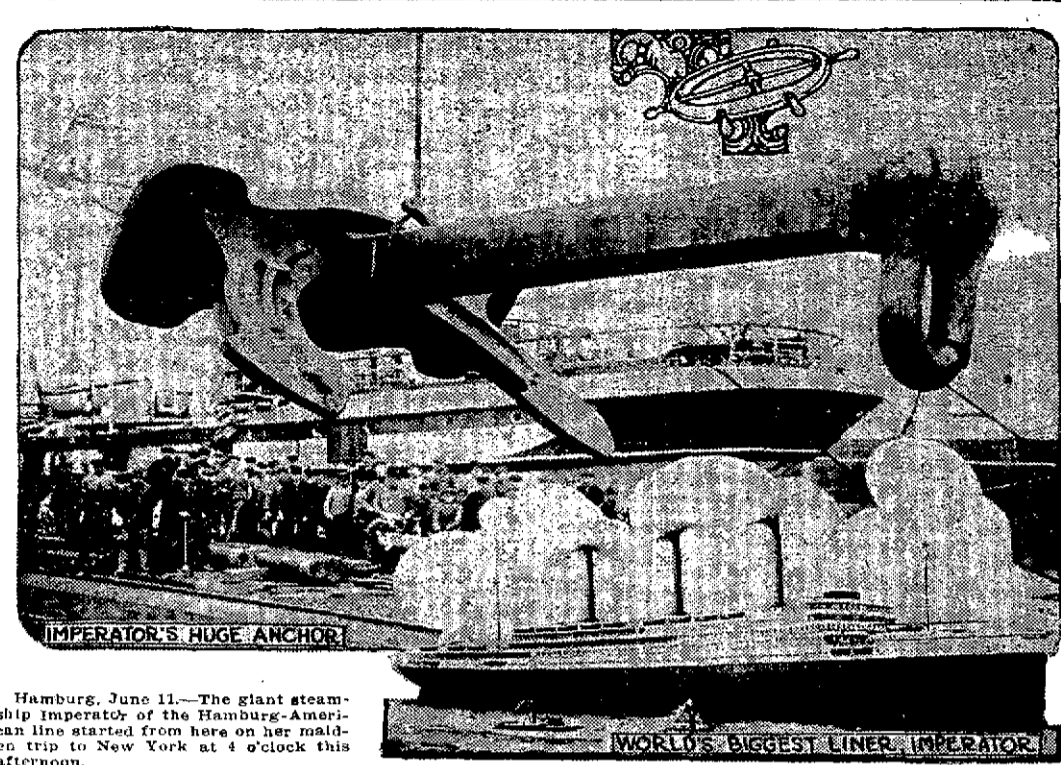

Customers Wrote Senators. John F. Hamburg, of New York, manager of a large Hawaiian sugar firm, admitted his firm had urged all the sugar men to write their senators pointing out the destruction to business that would follow free sugar.

Mr. Dickenson declared the president had never talked with any "practical" man about the Louisiana situation and that he had secured most of his information from National Committeeman Robert E. Wing, a newspaper man; Sol Wexler, a banker; Representative Broussard and Senator Ransom of Louisiana.

Washington, June 11.—Rental charges of approximately \$5,500,000 should be made against the postal service for the use of space in federal buildings throughout the country, according to former Senator Jonathan Bourne, jr., chairman of the congressional commission investigating matters of railway mail service and second-class postage.

MAY FORCE PUPILS TO ATTEND SCHOOL

Fullbright to Renew Fight This Summer—Only Six States Without Compulsory Law.

Compulsory education will again be a live issue in the legislature this summer. It will be recalled what a hard fight Dr. J. R. Littleton, of Richmond county, made for compulsory education legislation when he was in the house several years ago.

Children, whose names appear on the school census and who are shown by the reports of teachers and superintendents not to have attended the required sixty days, and who are not exempt by reason of incapability or physical defects, will be listed as truants by the county superintendents.

Give Boards Discretion. The measure does not require the boards to take such a step, but empowers them to do so and leaves each individual case. This provision, it is believed, will answer the objection of those opponents of compulsory education who claim that a measure of that sort would simply result in forcing all negro children to attend school without materially benefiting the white children of the state.

Not an Insidious Lobbyist. Mr. Dickinson was emphatic in his statements that he was not an "insidious lobbyist," declaring he had looked the term up and found it meant "deceitful lying and treacherous."

BILL DRAWN TO COVER INTRASTATE RATES

Willis to Introduce Measure Extending Jurisdiction of Interstate Commerce Commission.

Washington, June 11.—Extension of the jurisdiction of the interstate commerce commission over intrastate rates on interstate railroads, in accordance with suggestions in the Minnesota rate decision, will be proposed in a bill now being prepared by Representative Willis, of Ohio, a republican member of the house interstate and foreign commerce committee.

Bitter opposition to the Willis bill is regarded as certain to arise both in the house and senate. Senator Newlin, chairman of the senate interstate commerce committee, takes the position that the states are handling the rate question so satisfactorily that the federal government should not be justified in interfering by exercising its power as outlined by the supreme court.

ELBERTON MAN FALLS TO DEATH FROM FIFTH FLOOR OF SANITARIUM

Battle Creek, Mich., June 11.—(Special.)—Falling from the fifth floor of the basement this noon, G. C. Arnold, of Elberton, Ga., was instantly killed.

Shock to Elberton. News reached here of the death today at Battle Creek, Mich., of Clifton Arnold, the eldest son of W. T. Arnold. In company with his mother he had recently gone to Battle Creek for treatment. His death is a shock to the community. He was about 24 years of age and unmarried, and one of the most exemplary young men of this section.

TARIFF CHANGES WILL BE COSTLY

Free Listing of Articles by Subcommittees Means Loss of Nearly \$1,500,000 if Approved.

Washington, June 11.—Changes in the Underwood tariff bill by the senate finance subcommittee, transferring proposed dutiable articles to the free list, will aggregate an estimated annual loss in revenue to the government of nearly a million and a half dollars a year.

Some of the articles which the senate subcommittee have added to the free list, and the estimated revenue cut off, are: Pig iron, \$120,000; ferro manganese and spiegel Eisen, \$125,500; hemp, \$74,000; live stock, \$583,000; wheat, \$200,000; photographs, \$212,000; cedar wood, \$10,000; cotton dyes, \$90,000—a total of \$1,417,900.

GRAND JURY WILL PROBE AFFIDAVITS ABOUT DICTAGRAPH

Investigation of Charges and Counter Charges Will Begin at Early Date and Will Be Exhaustive One.

LANFORD SAYS GENTRY WILL DENY AFFIDAVIT

Affidavit Is Made Declaring Dictagraph Instrument Was Secured by Chief Lanford For Use in Phagan Case.

Following close on the heels of the publication of the George M. Gentry affidavit, in which the young stenographer states that his typewritten report of the dictagraph conversation was padded, and says that he left town after he had discovered that he had fallen in with a "crowd of crooks," comes the assurance that the grand jury will at once make a searching probe of the detective department in an effort to establish the truth regarding the many charges and counter charges that have been afloat since the dictagraph sensation was sprung.

Chief of Detectives Lanford defends his department and his own personal connection with the sensation with the declaration that the dictagraph reports, as published, were absolutely correct, and that reports to the contrary are not only false, but will be proved untrue.

Impelled by public sentiment the dictagraph incident created, it is authentically stated that the grand jury probe will be made at a very early date, and will be an exhaustive one.

SOCIETY

Miss Louise Ripley Weds Mr. D. I. MacIntyre, Jr.

A beautiful wedding last night which centered a cordial social interest was that of Miss Louise Ripley and Mr. Daniel Irwin MacIntyre, Jr., which took place at the home of the bride's parents, Mr. and Mrs. Thomas J. Ripley, on W. Peachtree street.

Beautiful decoration and music and the participation of a large number of attendants were picturesque incidents of the occasion, and a large company of friends were present for the ceremony and reception.

Miss Louise Ripley was her sister's maid of honor. Her honor MacIntyre, matron of honor, Misses Frances Ashley, Sina White and Julie MacIntyre were bridesmaids. Mr. Remer MacIntyre, of Thomastown, was best man; Messrs. Marion Swanson, E. V. Carter, Jr., and Cherry Emerson, groomsmen; Misses Elizabeth Owens, and Margaret MacIntyre, ribbon bearers, and Miss Frances Peabody, train-bearer. Rev. W. H. Wright, of the West End Presbyterian church, was the minister officiating.

The ceremony was performed in the living room, which was made a bower of foliage and flowers. In the back ground was a pyramid of palms with curtains of bamboo draped from the windows above to meet the palms. Bamboo framed the doors and windows, palms were banked in the corners, and Easter lilies and white sweet peas were massed on the mantel.

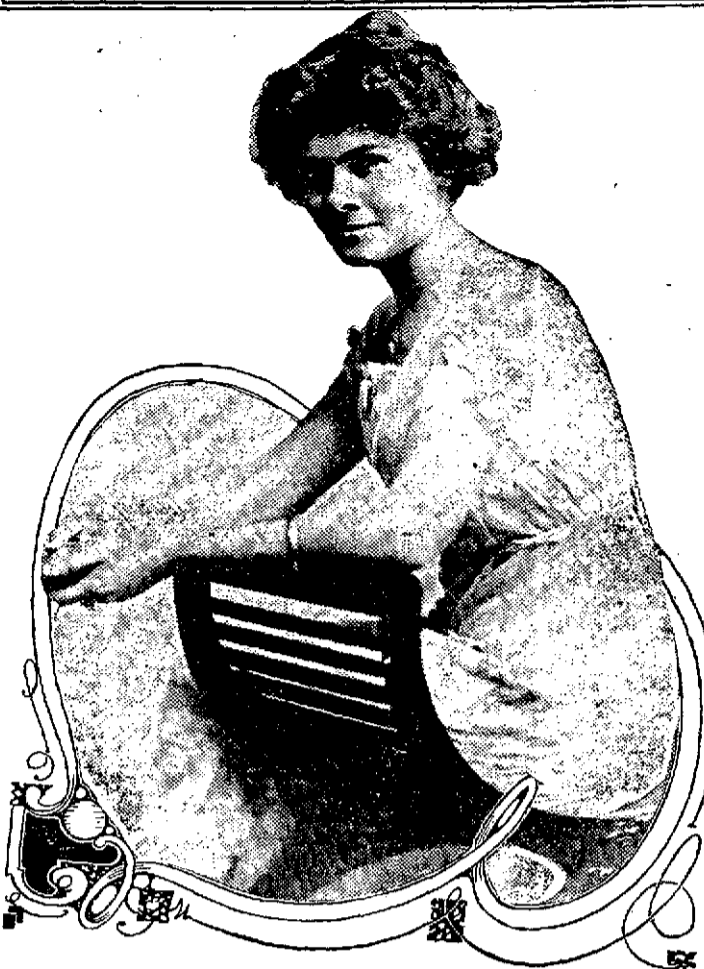

The bride entering the room with her father was a fair picture, her beauty enhanced by the becoming tulle veil and girlish gown of white charmeuse, draped with chiffon, and princess lace. Her bouquet was of bride's roses and valley lilies.

The maid of honor wore pink charmeuse draped with chiffon, her bouquet of pink roses, and the matron of honor wore white satin with overdress of lace. The bridesmaids wore pink chiffon.

Mrs. Ripley was gowned in black satin charmeuse and lace, and she was assisted in receiving by Mrs. D. I. MacIntyre and Mrs. John Scott, the groom's mother and sister.

Both represent well-known Georgia families, and the bride, who finished school a year ago, is one of the most charming and popular members of the younger set. The groom, a graduate of Georgia Tech, is successfully engaged in the insurance business.

PRETTY SAVANNAH BRIDE

MRS. EDWIN W. CUBBEDGE, JR. As Miss Ruth Simons Dana, she was one of the most attractive young women in Savannah society.

Savannah, Ga., June 11.—(Special.)—The marriage of Miss Ruth Simons Dana to Mr. Edwin W. Cubbedge, Jr., took place Tuesday evening at 8 o'clock in St. John's church. There was no reception, but the bride's father, Mr. George H. Dana, entertained the members of the bridal party after the ceremony.

Miss Mal Perkins was Miss Dana's maid of honor, and the other bridesmaids were Misses Elise Cubbedge and Josephine Saul and Miss Sara Taylor, of Macon. Valmore W. Lebey was

and the groom's best man, and the groomsmen and ushers were Frank Dana, Mr. Edwin W. Cubbedge, Jr., Robert B. T. Waller, Jr., Thomas H. Miller, Jr., and Gustave Robertson.

The bridesmaids wore charming summer gowns of white French crepe and lace, and carried pink roses. The Rev. W. H. Dakin performed the ceremony. The bride, who had never made her debut, is an exceedingly pretty and charming young girl, who has been a great favorite in the college

young woman from Georgia to be the guest of the president's daughters in the White House, and she will be charmingly representative of the young womanhood of her state at the summer festivities of the capital, which will include delightful entertainments planned in honor of Miss Brown.

Tea at Driving Club.

Mrs. Don A. Pardee and Mrs. Frank Callaway entertained the members of the driving club yesterday afternoon at the Driving Club.

The ladies came at 5 o'clock, and enjoyed tea and dainties in the living room. Later the gentlemen met with the ladies in the ballroom, when dancing was enjoyed.

The late afternoon gatherings at the club are proving most popular occasions, and will continue during the summer, the music playing from 5 until 7 o'clock.

Cooly-Armstrong.

A quiet, pretty wedding yesterday was that of Mrs. Mary Blair Armstrong Cooley and Mr. Harold Rodney Armstrong, which took place in the morning at 10 o'clock at the home of the bride's father, Dr. Milton N. Armstrong, on Ponca or Leon avenue.

There was present a small company including relatives and a few close friends, and the ceremony was performed by Rev. Jere A. Moore, of Harris Street Presbyterian church. The only attendant was the bride's little daughter, Mary Cooley.

The marriage took place in the long living room, where palms and acacia-blossom lilies were used in handsome decoration and lilies and foliage plants decorated the reception hall and drawing room.

The bride was lovely in her traveling suit of black Canton crepe, the coat of brocade having its finish in white, and her toque was trimmed with white wings. Her corsage bouquet was of gardenias and lilies of the valley.

Her aunt, Mrs. S. P. Adams, was gowned in black crepe meteor and duchess lace veiled with black chiffon. Little Miss Cooley wore a French hand-made lingerie dress with blue ribbons, and she carried an old-fashioned bouquet of pink rosebuds

Cook-Williams.

The wedding of Miss Fanny Grier Cook and Mr. Frank Graham Williams was an interesting event of last evening taking place at the St. Mark's church at 8 o'clock. The church was artistically decorated with smilax and handsome palms and ferns.

The bride was given away by her father, Mr. Joseph S. Cook, and she was attended by Miss Marguerite Brant, who was maid of honor, and Miss Amelia Whitaker and Miss Fanny Turner, who were bridesmaids. Mr. Mark Williams, of Rocky Mount, N. C., was best man, and the ushers were Mr. Joseph Cook, Jr., of Chicago, and Mr. Henry Morrieau. Dr. A. M. Hightlight performed the ceremony, and Miss Bartholomew played the wedding music.

The bride was lovely, wearing a beautiful white lingerie gown trimmed in point lace over white satin charmeuse. Her tulle veil was caught with orange blossoms, and she carried a shower bouquet of valley lilies. The maid of honor and the bridesmaids wore white lingerie dresses, the maid of honor carrying white sweet peas, and the bridesmaids carried pink sweet peas.

After a short wedding trip Mr. and Mrs. Cook will go to housekeeping at 18 West Tenth street.

For Mrs. Estes.

Mrs. Carlton McKinney's bridge party was an enjoyable event of yesterday afternoon, given at her home on Artyer avenue, in compliment to Mrs. Grady Estes, a recent bride.

Pink and white roses and sweet peas attractively decorated the house. The prizes were silk stockings and correspondence cards, and the guest of honor was given a dainty piece of handmade lingerie.

Afternoon tea was served in the dining room after the game. The centerpiece of the table was a pretty arrangement of pink and white roses. The candle shades were pink, and all other details were pink and white.

Mrs. McKinney wore a pink embroidered Henri gown.

The guests were Mrs. Estes, Mrs. J. D. Ison, Mrs. Morris Ewing, Mrs. John E. Starbuck, Mrs. John Rae Patton, Mrs. Clarence Murphy, Mrs. Frank Dabney, Mrs. Frank Holland, Mrs. Frank Jacobway, Mrs. Aurilla Cooleeder, Mrs. Ernest Blair Durham, Miss Leslie Ewing, Miss Bernice Schuessler, Miss Margolis Hitch, Miss Mary Jeter, Miss Gladys Canale, Miss Marguerite Harper, Miss Elise Brown and Miss Lucy Stockard.

Mrs. McKinney will entertain again this afternoon at a bridge tea, the second of a series she is giving.

Lawn Party Postponed.

The lawn party, which was to have been given by the St. Mary's Church of the Incarnation, has been postponed until Thursday of next week.

MAY DIVIDE SEASON IN EMPIRE LEAGUE

Cordale, Ga., June 11.—(Special.)—President Groover, of the Empire State League, has called a meeting of the league directors to be held in Cordale on next Friday.

While it is stated that the meeting is to be held especially for the purpose of discussing and taking action upon business of the league of routine nature, it is understood that the question will be taken under consideration of dividing the season, as originally mapped out under the present schedule, into two seasons in each of the two seasons in formed.

In case of a division of the season, and in event one club did not take all honors, the winners in the two seasons would engage in a series for the championship of the league.

It is believed that if no action is taken in this matter an extension of the season will be taken under advisement.

North Carolinian Breaks World's Record for Mile, According to a Report

Greensboro, N. C., June 11.—The Daily News correspondent at Hickory, N. C., says: "The name of Little, amateur native of this place and Lenoir college graduate, today broke the amateur and professional records for mile run in his privately constructed track. His time was 4 minutes 12.1-5 seconds."

Taber, of Brown, who recently ran with John Paul Jones, stayed with Little until the last quarter. Seven Harvard men witnessed the meet. Dr. Mandott, of Harvard, examined Little before the race and said the runner was at the height of perfection physically.

After the race neighbor farmers placed Little on their shoulders and carried him 2 miles home."

TO STOP BOXING IN NEW YORK DURING THE HOT MONTHS

New York, June 11.—A suggestion to stop all boxing exhibitions in New York state during the months of June, July and August was favorably received today by the New York State Athletic commission. The proposed rule, it was said, will be adopted to take effect next year.

Members of the commission pointed out that boxing was the only standard sport that was followed the year round. They believed the sport would benefit by having its special season, like baseball, football and hockey.

AMERICAN.

White Sox 1, Yankees 0.

New York, June 11.—Chicago evaded the series with New York today, Russell, a left-hander, shutting out the locals, 1 to 0. Mattick and Collins starred at bat. Chicago hit Fisher hard in the 11th inning, and McKeechic and Weaver made spectacular leaping catches.

Score by innings: R. H. E.
 Chicago 000 100 000—1 1 1
 New York 000 000 000—0 6 0

Batteries: Russell and Schaik; Fisher, Keating and Gassett. Time, 1:42. Umpires, Egan and Evans.

Tigers 11, Senators 0.

Washington, June 11.—Detroit was in a batting mood today and easily shut out Washington, 11 to 0. Deuss pitched his second winning game of the series. Crawford hit a home run to the center field fence in the second inning, with the bases full, and later Cobb drove one over the fence with first occupied. Washington used three pitchers.

Score by innings: R. H. E.
 Detroit 071 000 201—11 14 1
 Washington 000 000 000—0 5 1

Batteries: Deuss and Moses; Engel, Galita, Wilson and Henry. Time, 1:40. Umpires, Hilderbrand and O'Loughlin.

Browns 5, Athletics 2.

Philadelphia, June 11.—With two men out, a home run by Catcher Sam Agnew scoring two runners ahead of him in the ninth inning today checked Philadelphia's winning streak of fifteen consecutive victories and gave St. Louis the final game of the American League pennant. Austin was benched for protesting a decision at third.

Score by innings: R. H. E.
 St. Louis 000 000 023—5 2
 Philadelphia 001 000 010—2

Batteries: Leverenz, Stone and Agnew; Houck, Bender, Brown and Schang. Time, 2:29. Umpires, Dineen and Ferguson.

Naps 8, Red Sox 5.

Boston, June 11.—A fifteen-inning contest between Boston and Cleveland ended about sunset with a 2 to 5 victory for Cleveland. With the bases full in the final inning Olson stole home. After Ryan popped to Leonard in an effort to work the squeeze play, Graney drew a pass, filling the bases, and Leonard over the plate. Graney taking third and Land second on the throw in. Graney then stole home and Land went to third. Land also tried to steal, but Gregg swung at the ball for the third strike, ending the inning.

The game was replete with brilliant playing, Cleveland getting an early lead, which promised victory. Boston went after Gregg in the sixth inning and by good hitting and the wildness of Gregg scored five runs. Two of these tallies were forced in by bases on balls, another resulted from a sacrifice fly and the final pair was due to Carrigan's double.

Score by innings: R. H. E.
 Cleveland 104 000 000 004—9 12 3
 Boston 000 005 000 000—5 13 0

Batteries: Gregg and Land; Wood, Hall, Leonard and Cady and Carrigan. Time, 3:34. Umpires, McGreevey and Connolly.

Philadelphia, Pa., June 11.—The third round of the singles was completed and rapid progress made in the doubles in the women's National Lawn Tennis tournament today. The survivors in the singles who will compete in the semi-final round tomorrow are:

Miss Robert Williams, metropolitan champion, Miss Edna Whitley, of Plain Field, Pa., Mrs. A. J. Dray, of East and M.

MOTOR BOAT DREAM WINS BERMUDA RACE

Barbara II. Finished First, But Dream's Time Allowance Offset the Handicap.

Hamilton, Bermuda, June 11.—The motorboat Barbara II. crossed the finishing line at 25 minutes, 20 seconds past 3 o'clock this morning in the race from Philadelphia, which started on Saturday at 1:30 p. m. She was first sighted at 10 minutes after midnight.

The Dream, owned by Charles L. Leagon, of the Yachtmen's club, the smallest of the contestants in the motorboat race from Philadelphia to St. David's Head, Bermuda, crossed the finishing line at 55 minutes past 4 o'clock this evening.

The Dream had a time allowance of 16 hours, 44 minutes and 36 seconds over the scratch boat, Barbara II, which crossed the finishing line at 25 minutes and 20 seconds after 3 o'clock this morning.

According to the unofficial corrected time, the Dream is winner of the race by 3 hours, 14 minutes and 56 seconds.

QUERIES ANSWERED

Under this head the sporting editor will endeavor to answer all questions pertaining to all branches of sports.

Dick Jamison, Sporting Editor The Constitution:

A bet B he can pick two winners. Both games go more than five innings and one last, P. H. J. or A. J.?

Answer:—P. H. J.

Dick Jamison, Sporting Editor The Constitution:

In a game of ball a day or so ago there was a hit or not. A runner was on first. With one man down, the next batter hit a ball on a line over second. The center fielder got the ball on the first bounce and threw to second, forcing the runner out at second. Was it a hit or not? It was impossible to get the ball at first.

Answer:—No. It is not a hit. The rule plainly states that "no man shall a batter be credited with a hit when a base-runner is forced out."

Asheville Crew Wins.

Asheville, N. C., June 11.—On a clear lake this afternoon the crew of the Asheville school won from that of the Washington and Lee university by five lengths. In the annual boat race, the local oarsmen showed better form and had but little trouble in winning. The race was witnessed by a mammoth crowd, marking the last of the commencement exercises of the Asheville school.

Mrs. Loughridge, Dalton.

The funeral of Mrs. Mary B. Loughridge, aged 67, widow of William Loughridge, who died Tuesday at her suburban home, Cliffview, was held today and the interment was at the family cemetery in Murray county. She leaves eight children: Mrs. R. P. Gregory, Leila; Amsa and Luther Loughridge, of Dalton; Mrs. William McIver, of Graham, Fla.; Jack and Ben Loughridge, of Atlanta, and Cleve Loughridge, of Texas.

Tech Officials and Graduates Honored by Chamber of Commerce

The appreciation of the citizens of Atlanta for the work being done at Tech was extended to the faculty trustees and members of the graduating class of that institution through the medium of the chamber of commerce at a luncheon at the Capital City club Wednesday afternoon at 1:30 o'clock.

In the ballroom of the club building about 250 guests were seated. The genuineness of the occasion was evidenced by the large percentage of the membership of the chamber of commerce, especially from the ranks of the leaders in all of the city's business and industrial lines, who attended the dinner, rousing college yells enlivened the event.

Moore Praises Tech.

Wilmer L. Moore, president of the chamber, presided at the dinner. In his speech he expressed in glowing terms the great value the city places upon the presence of such an institution as Tech in its midst, and impressed upon the members of the senator class the importance of the responsibility which rests upon their shoulders for the future progress of the state. A significant remark of Mr. Moore's was: "I trust that the chamber's luncheon to Tech will become an annual event."

Governor Brown stated that he had reason to believe that the appropriations for the maintenance and im-

PUT RIVAL CANDIDATES IN ADJOINING ROOMS

Anderson and Allen, Next Door Neighbors at Kimball, Each Claim 25 Votes.

It was as nearly in the same bed that John Randolph Anderson, of Chatham, and John T. Allen, of Baldwin, the rival candidates for the presidency of the state senate, slept last night, as the management of the Kimball house could put them. Both were here in the interest of their respective candidates, and they were assigned to adjoining rooms in the hotel.

Judge Allen has been in the city for several days. His room was No. 211. When Mr. Anderson arrived last night he was assigned to No. 213. Friends of Judge Allen saw in the number awarded to Mr. Anderson a good omen for their candidate, but the latter declared that he was not at all superstitious, and that the result of the election was so near a foregone conclusion that no hoodoo sign could change it now.

Each Confident As Ever.

Each of the candidates is as confident as ever of his election. Mr. Anderson said:

"I know whereof I am speaking and I am certain of twenty-five votes. They are just as sure to go to me as they were already. I am willing to concede Judge Allen ten votes, and nine are in doubt."

Judge Allen, on the other hand, panned Mr. Anderson's claim.

"Uncle Phil" Dies.

Washington, June 11.—Anthony Phillips, an old Georgia negro, known as "Uncle Phil" among the Southern railway lines, and whose annual "passion dinners" were a delight to the late President Spencer and other officials of the railway, is dead. His body was taken to Atlanta today for burial.

"QUO VADIS" PICTURES COMING TO THE GRAND

Supplying the actual atmosphere of Roman society of nearly 2,000 years ago, is one of the claims made by the projectors of the marvelous "Quo Vadis" pictures now on view at the Astor theater, and the claim is being substantiated through the medium of the New York mail service. Almost every delivery at the Astor theater brings a communication for one or another of the cast of Italian and

The B. F. Goodrich Co. Invented Their Way Into the Leadership of the Tire Field.

Inventive genius, cultivated and developed in our 27 years of rubber manufacturing before the days of automobile tires, evolved the Goodrich principle of unit molding.

Unit molding is no theoretical proposition.

It fixed itself 16 years ago, when we made the original American clincher tire.

It was based upon accurate knowledge of crude rubber, of compounding rubber and of building and vulcanizing rubber products.

The tread of a Goodrich Tire, instead of being what you usually think of as a "tread"—a separate part—is actually the outside of the tire.

It is of it and not merely put on it.

This is one reason why the thick, tough treads of Goodrich Tires do not peel or strip.

The secret of this lies in the Goodrich principle of Unit-Molding.

The whole tire—layers of rubber-impregnated fabric, layers of pure rubber, extra side strips of pure rubber to reinforce the tire where the strain comes and eliminate chances for rim injury, beads, and thick, tough tread—has been converted into a single piece—a unit.

You could not slip the thinnest knife blade between the layers, for there are no layers.

You can now see how and why Goodrich Tires are made and molded to give you long, uniform, comfortable, satisfactory wear.

Your tire dealer will supply you with the Goodrich Tire best suited to your needs. No matter what car you buy or own you can have it equipped with Goodrich Tires if you specify them.

Write us for our free folders telling how to get the best service from your tires and how to avoid the common injuries.
