

R. M. HARVEY CRIS ESSI CITY SMOKE BOARD

Tire of Serving When Mayor and Council Will Not Give Smoke Department Support It Deserves

COUNCILMAN LEE MOVES TO REPEAL SMOKE LAW

Chamber of Commerce Smoke Committee Plans Aggressive Campaign to Defeat His Ordinance

R. M. Harvey, chairman of the city smoke board, and Chris H. Essig, member of the board, have returned from the board because they feel the mayor and the general council are not giving the smoke department the support its work deserves.

Harvey recently passed a charter amendment extending the city's authority over smoke producing plants outside of the city limits to all districts within the city limits. The ordinance was passed by a vote of 10 to 2. Mayor Woodward vetoed the ordinance and the council sustained his veto.

At the meeting of council when the veto was sustained, Councilman Jesse Lee introduced an ordinance to repeal the smoke ordinance and to allow the city to take action on the matter. Mayor Woodward vetoed the ordinance and the council sustained his veto.

These two things, coupled with council refusal to give Smoke Inspector Harvey much support, have resulted in a general hammering of the department's work. Harvey has been hampered in his work by a lack of funds, so he has been unable to carry out his duties. He has been unable to carry out his duties and has been unable to carry out his duties.

Reno Has Rival in Fulton County for Granting Divorces

New Record Established Here in Granting 119 Verdicts in Four Days

A new record for the Fulton county divorce mill has been established by the granting of 119 divorces in four days of the present week. The regular bi-monthly hearing of the divorce court on Monday morning, after a day of adjournment, was completed, and the marital tie of 119 couples had been either partially or totally severed. It takes two verdicts in Georgia to make a divorce absolute, and about one-half of the total number were second verdicts.

The record of the court is 32 divorces on Monday, 34 on Tuesday, 24 on Wednesday, and 29 on Thursday. The charges of adultery, desertion, habitual intemperance and desertion were those most frequently made by the various plaintiffs, but occasional cases of persons seeking the verdict would invoke the statutory grounds.

At no one hearing of the undefended calendar cases has so many verdicts been granted in the county. Occasionally larger numbers of cases have been on the calendar, but in no case have any of them been checked or postponed.

CAPT. R. J. REDDING DIES AT HIS HOME IN GRIFFIN

Was Founder of Georgia Experiment Station and Widely Known Throughout South

GRIFFIN, Ga., June 4.—Following an attack of acute indigestion early last night, Captain R. J. Redding, one of the foremost citizens of this section, died at his home in Griffin. He was 77 years of age.

His death was unexpected, as his health had been good recently. At midnight he was resting easily, but passed away before daybreak without a struggle.

He is survived by his wife and five children: R. A. Redding, S. A. Redding, Mrs. William C. King, of Atlanta; Mrs. S. B. Stewart, and Henry George Redding, of this place. The funeral will be held here tomorrow afternoon from the First Methodist church.

Captain Redding had occupied a prominent place in Georgia affairs for a number of years, being a pioneer in the state's agricultural advancement. During the Civil war he served for four years as captain of the Forty-sixth Georgia regiment. He was an author of numerous papers on agriculture and for twenty years was editor of agricultural publications.

He founded the Georgia experiment station and was its first director, which position he held for seventeen years.

Captain Redding was a native of South Georgia, moving to Atlanta when he was elected assistant commissioner of agriculture a number of years ago. He held that office through several administrations, becoming a pioneer and leader of the experiment station when that was established. He retired about seven or eight years ago and was succeeded by Martin V. Calvin. He was one of the state's experts in agricultural affairs. Before taking public office Captain Redding was a planter and lawyer. Of late years he had devoted his time to literature and to editing the agricultural department of the Atlanta Constitution.

Captain Redding is survived by his widow, two sons, Messrs. C. A. Redding and S. J. Redding, both of Atlanta, and two daughters, Mrs. S. J. Williams, of Atlanta, and Mrs. Geneva Stewart, of Griffin.

W. O. CHILDRESS' BODY SENT HOME FOR BURIAL

Man Who Died in Fall From Hotel Window Will Be Buried in Easley, S. C.

The funeral of W. O. Childress, who was killed early Wednesday morning in a fall from a third floor window in the Hillman hotel, at Peachtree and Walton streets, was held at a private Wednesday evening and the body shipped to Easley, S. C., which was Childress' home.

Rev. W. C. Schaeffer and J. W. Russell, Jr. officiated. The body will be received at Easley by the Knights of Pythias lodge and buried with the ceremony of that order.

Childress was born in Cumming, Ga., fifty-five years ago, and graduated with first honor at Dalton, Ga. His military talent was so remarkable that the Georgia legislature elected him to represent this state at West Point. He decided to go to Central America instead, with a party of young civil engineers, and remained in that country twelve years, managing a silver mine and fighting in two revolutions.

Ten or twelve years ago he returned to the state and made his residence in Atlanta. He was a Knight of Pythias, a Knight of Honor and a Sigma Xi, being the organizer of the first chapter of this fraternity in Georgia, in Dalton, Ga., in 1878.

Chinese Brigand Burns AND LOOTS MANY TOWNS

"White Wolf" Eludes Troop and Creates Reign of Terror in Two Provinces

PEKING, June 4.—"White Wolf," the Chinese brigand, who during the past few months has devastated the provinces of Hu-Pai-Ho-Nan and Shensi is now looting and burning towns and villages in the province of Kan-Su.

After eluding the troops sent by the Chinese government to capture him, he yesterday set fire to the town of Ning-chow and his followers afterwards attacked Tan-Chow in the extreme southern portion of the province and after pillaging the place burned it. The brigands then proceeded to Chong, where they set fire to the famous monastery of the Tibetan Lamas.

COUNCILMAN RAPS CITY
POLICE ON SPEED LAWSDeclares Atlanta Cops Talk in
Newspapers, While County
Police Enforce Law

If the city police department, when it gets ready for one of its periodic rushes against the auto speed laws, would simply go and get the speeders, instead of announcing in the newspapers that a crusade was about to start, they would accomplish vastly better results, in the opinion of Councilman Claude Ashley, of the Fourth ward.

About every three months we read in the newspapers an announcement by Chief Beavers that violation of the speed laws must stop," says the councilman.

The speed law continues to be violated, just as though we had no law and no police department to enforce the law.

"Sunday I was riding along North Boulevard in an automobile with my wife and daughter. We were running twenty miles an hour, which is fast enough, according to the law, but not dangerously fast, I should say."

"All at once I heard a roar behind me, and along came an automobile and passed us like we had been standing still. I couldn't see anything but a cloud of dust. I knew that car must have been running at least forty miles an hour, on North Boulevard, a main thoroughfare."

"How do the county police handle the speeders? Do they proclaim in the newspapers that they are going to make a crusade? Not on your life. They simply go out on their motorcycles and get the speeders, and take them before Judge Anderson, and he holds a fire under them, so to speak, and the result is that they remember the speed laws for a long time."

"The speed laws are exactly more respected on the roads of Fulton county than they are on the streets of Atlanta. The speed law is openly and flagrantly violated every day under the very eyes of city policemen, and they do nothing."

HARDWICK IS OPTIMISTIC.
HE TELLS CONGRESSMEN

BY RAULF BRITZ
WASHINGTON, D. C., June 4.—Congressman Thomas W. Hardwick, returned to Washington this morning from Georgia, and was given a cordial greeting by his colleagues on the floor of the house. The congressman was engaged at a recent conference with Senator Underwood, of Alabama, who Speaker Clark left the chair and approaching the senator extended to Hardwick a hearty handshake.

"How are you, Tom?" asked the speaker. "How's the campaign coming on?" Mr. Hardwick told the speaker that the situation was entirely satisfactory. He is entirely optimistic over the outcome and confidently expects to be nominated in the August primary.

"Other than to express satisfaction with the conditions in Georgia, and my appreciation of the support that is a interesting in all sections of the state, I have nothing to say at this time," declared the congressman. "It is probable, however, that I will have a statement for the press tomorrow concerning my candidacy."

**WOMAN SAYS HUSBAND
HAS TOO MANY WIVES**

Mrs. Ora Stone, in her suit for divorce filed in the superior court on Thursday, declares that when she married William J. Stone, he told her that he was entering the matrimony for the first time.

"When she went to live with him at Stone, Ill., she says, she learned that he had two other wives and there was suspicion that he had not properly divorced one of them.

"Because of his misrepresentation she left him, she says.

"She was married in March, 1913, and separated in March, 1914.

Attorney G. A. K. Stevens filed the suit.

THEATERS

Criticisms of initial performance of the new play are written by members of the Journal staff. All other matter appearing in this column is furnished by our theater announcements.

A remarkable bit of attention to detail is shown this week at the Lyric, where *Forbes Ayler* has staged "The Dragon's Claw" for the Lucille LaVarre company. In many ways it is a genuine Chinese mandarin's costume of embroidered silk which is imported for the original Philadelphia production and obtained only through the influence of a member of the Chinese legation at Washington. The whole production, and Miss Olive Blake's performance, are very good in the rich colors of the Chinese child-wife and the scenic artist, president.

The four little one-act dramas presented this week seem to be taking hold of the audience. The new play, "The Dragon's Claw," is a very good one to trace and back offers the variety of vaudeville without demanding the constant attention given one long play.

A cooking good bill is this week's offering at the busy Forsyth theater. A more delightful place to spend a couple of hours could not be found in the city. Little Emma Bunting, surrounded by a capable company, presents "The Princess of Patches," a playlet in which the star is able to display her talents and charming personality in a clever and winning fashion. Dane Claudius and Charles Kanti are in a musical melange entitled "The Call of the Sixties," are a big hit.

These two clever people are splendid banjoists. "The Purple Lady" is a big musical comedy, with pretty girls, pretty costumes, dancing and dance, and plenty of it.

They simply go on and on. Miss Bunting, who will be one of the stars of the new play, is a clever and winning actress. She is a big feature, and Miss Ray Kanti, an acrobatic comedienne, is also on the bill.

For the first time "A Million Bells" the Village playhouse presents a performance in New York, which was shown this week at popular prices at the Grand. It is in five reels and is produced by an all-star cast, including John Stewart, Harry T. Morey, Julia Hewitt W. Chambers, J. Walter LeCraw and G. A. Jones will make an excellent team. Other attractions will be Miss Jessie Houston, in popular songs, and Faith's weekly.

**PRIZE DEBATERS WILL
CONTEST FOR MEDAL**

The six prize debaters of the Atlanta Law school, who were chosen last week in a preliminary contest, will compete for a \$20 gold medal at the annual debate of the school Friday night.

"Evolution of Mexico," will be the theme of the debate. Franklin S. Chalmers, A. A. Baumgartner and Ernest W. Smith will speak in favor of invasion, arguing that the United States should invade Mexico. Harry T. Morey, Julia Hewitt W. Chambers, J. Walter LeCraw and G. A. Jones will speak in opposition, against the United States assuming the protectorate.

The \$20 gold medal for the best debater is offered annually by the dean of the school, Hamilton Douglas. The annual debate will be open to the general public, being held in the Atlanta Law school rooms, at the corner of Peachtree and Marietta streets.

**SETTLEMENT HOME NIGHT
SCHOOL CLOSING FRIDAY**

The closing exercises of the Settlement Home night school will be held Friday evening, June 5, at 7:30 o'clock in the parlors of the Wesleyan house, 20 South Boulevard.

Besides a program from the school, the pupils and visitors will be entertained by a musical and readings by the pupils.

Mrs. Henry H. Tucker, head of the educational committee of the Wesleyan house, and Miss Emma Burton, head of the settlement, extend a cordial invitation to the public.

Prizes will be awarded for best attendance, deportment and scholarship.

GEORGIA STATE DENTAL

SOCIETY OPENS SESSION

Suspension of Southern Branch
of National Association to Be
Discussed

In a meeting which will probably result in the voluntary suspension of the southern branch of the National Dental association, 500 members of the southern branch and of the Georgia State Dental society assembled for a three-day convention in the Hotel Ansley Thursday.

Dr. Homer C. Brown outlined in his address the recent changes in the constitution and by-laws of the national organization. These changes provide for the union of the national society to be a dental society, hence there will be no room for the southern branch except on the basis of a state society. Rather than have this, Dr. Brown proposed that the southern branch disband, that the members affiliate with state societies in the southern states, that these state units then join the national organization.

The joint convention opened Thursday morning at 9:30 o'clock with Dr. W. A. Deane of Tampa, Fla., president of the southern branch, in the chair. Dr. John P. Purser, of Atlanta, led in prayer, followed by an address of welcome from Governor Stanton. Dr. H. Holly Smith, of Baltimore, responded, after which President Dean addressed the members.

Reports of officers of the southern branch, roll call, collection of dues and an acrobatic comedienne, is also on the bill.

SERIES OF SHOWERS
BOOKED FOR ATLANTAWeather Man Says Prospects
for Dispersing Long Drouth
Are Good

A series of light summer showers are booked for Atlanta, according to announcement Thursday at the weather bureau, with lightning and thunder accompanying, similar to the storm Wednesday night.

The fact that dry weather is prevailing in Texas, recently flooded with rain, makes rainy conditions favorable for the east, declares the weather man. It was recorded at the weather bureau, but it was stated the rain was much heavier in other portions of the city. Another light shower is predicted for the horizon for the next few days. Altogether, conditions are highly favorable for dispersing the drought which for so long parched the state.

appointment of committees followed, after which Dr. J. G. Reid, of Marion, N. C., read a paper on "Preventative Medicine in Dentistry."

Dr. J. P. Quayle, of Greenville, Tenn., read a paper on "Ways and Means;" Dr. N. G. Blaustein, of Atlanta, Ga., read a paper on "Oral Hygiene and Surgery."

Friday the business session of the society will be held. Papers will be read and officers elected. The present officers are scheduled to be re-elected. They are Dr. E. Tignor, Millersville, president; Dr. M. D. Skiff, Atlanta, first vice president; Dr. A. A. Williams, Columbus, second vice president; Dr. W. M. Zirkle, Atlanta, treasurer; Dr. M. M. Forbes, Atlanta, secretary.

Reports of officers of the southern branch, roll call, collection of dues and an acrobatic comedienne, is also on the bill.

SEWER IN FOURTH WARD CAN'T GET BOND MONEY

Chairman Quillian and Alderman Kelly Block Move to End North Side Sanitation

The proposal to take \$55,000 from an unexpended balance in the late \$200,000 bond issue and use it to extend the Butler street and Highland avenue sewer has been withdrawn by the committee on the ground that it undertakes to give the north side more than the south side is getting. Chairman Quillian opposes it on the ground that the bond issue must be divided among several wards, all of which are as badly in need of attention as the Butler street and Highland avenue.

Alderman Albert Thompson, of the fourth ward, who went before the bond commission and finance committee of council Thursday afternoon to advocate the proposition, declared after hearing from Alderman Kelly, that "if the miserable sectional issue is to be injected into the matter he would withdraw the proposition." The sewer work has sufficient money to keep it running for several months, said Alderman Thompson, but will wait until this has been expended and then try again to get some of the bond money.

Virtually two June apportionment bills will go to council Thursday afternoon, although the difference between them involves not more than \$15,000. Alderman Kelly wants this amount for the South Pryor street regrading project, while Commissioner Humphrey, the chairman of the finance committee, wants it for the school department, to carry out their preliminary steps in the reorganization plan recently adopted by the board of education. It will be up to council to say where the money shall be used.

BEAVERS PLANS WAR ON IVY STREET CHARACTERS

Will Hold House Owners Responsible for Having Disreputable Tenants

The owners and agents of property on Ivy street who permit their houses to be tenanted by disreputable persons are amenable to the law, and I am going to take steps against them if they do not voluntarily continue to lease to disreputable tenants," said Chief of Police Beavers Thursday.

He said that but few complaints have come in concerning houses on Ivy street, and that they should be eliminated and his men would continue to make raids whenever they get evidence to justify it.

Many quiet raids have been made recently on Ivy street, and many persons of disreputable fame have been persuaded to leave the street. "I have talked to them and warned them that arrest would surely follow if they remained. So there are not so many disorderly houses on Ivy street after all," said the chief, "and the law will go in the future as in the past as soon as we spot them."

Chief Beavers said he had asked the operation of owners and agents to clean up Ivy street by two plainclothes officers, and three persons were arrested.

It is said that a petition is being circulated along Ivy street among the respectable residents asking Mayor Wood to drive out the disreputable people living there.

It is after that he may look further into the case, Governor John M. Blanton yesterday afternoon granted a respite of three weeks to John Wright, condemned in Fannin county of the murder of Isaacson Lydie Hughes, and referred to last Friday of this week.

Though the jury commission recommended condemnation to his imprisonment, the governor found it necessary to go more fully into the facts in the case.

Attorney B. L. Smith, representative in the house from Fannin, appeared for the condemned man.

DR. WILMER ANNOUNCES DECISION NEXT SUNDAY

Younger Leaders of Parish Urge Him Not to Accept Sewanee Professorship

An informal visitation by about sixty of the younger leading members of St. Luke's parish was made Wednesday night on the pastor, Dr. C. B. Wilmer, at his home to urge that he decline the invitation to a professorship at Sewanee university and that he remain with St. Luke's.

Major F. C. Callaway, Chesley B. Joseph, C. Logan, and others were spokesmen for the visitors. They declared Dr. Wilmer is needed not only by the parish but by the whole of Atlanta, and that his field of work is much broader here than it could be in a chair at the university.

Dr. Wilmer thanked his callers for the honor they paid him, and promised his answer will be announced at the morning service in St. Luke's next Sunday.

Dr. Wilmer went to Sewanee Thursday at the request of Bishop Knight, to look over the situation there and confer with the authorities of the university.

Crackers Win Third Straight Game from Bills

Locals Cap Last Game of Series From Bills, 6-2—Elliott Dent Pitches in Fine Form, Crackers Hit Black Hard

BY BALPH HODDY.
The Crackers made this straight win from the Billikens Wednesday afternoon by taking the last game of the series, 6-2. Elliott Dent was in fine form and held the visitors safe all the way.

Manager Olick sent Routhpaw Black to the mound for the Bills, but the portside heavy failed to hurt up to his standard.

The locals found his offerings easy and poked out several extra bases in the fourth inning. Dent hit a grounder in front of the plate, which Black fielded and threw to the signs in right field. Dent scoring on the play.

The game was started at 2:45 o'clock and was called at 8:30 o'clock to allow the Bills to catch an early train for Memphis.

The local cracker, for whose entertainment the game was transferred to Atlanta, turned out in large numbers to witness the contest.

The real feature of the game was the pitching of Dent. The big leaver was master of the situation all the time and was given brilliant support by his fellow Crackers.

McConnell pulled some sensational fielding at second.

The Bills scored first, putting over in the initial round. Dent walked Hollander, who reached the base on a field out and counted when Snedeker added out a third strike to left field.

The Crackers tied the count in the second. Jennings beat out a slow roller to Hollander and scored when Plana doubled to the ball sign in right field.

In the third round, McConnell and Stahl were walked. McConnell stole second and went to third when Jennings forced Ethel out at second. Long stole second and when Douglas pitched to McConnell, he scored.

In the fourth round, Dent hit a roller in front of the plate and scored when Black threw the ball to the signs in right field. Black walked McConnell, who stole and scored on Kirchner's hit to left.

The Bills showed across one run in their half of the fourth on Rivers' double and Griffiths' single.

The locals put over another in the sixth. Mitchell walked, reached second on Kirchner's single and scored when Griffiths batted Ethel's grounder and scored on Long's single.

PERRY ADAIR DEFEATS FATHER IN 19-HOLE MATCH

MEMPHIS, Tenn., June 4.—George and Perry Adair, father and son, furnished the real feature of the southern championship golf tournament, when they played against each other Wednesday in the match play to see which should go into the first night to battle for the championship cup.

Perry, the boy, won out over the father, who secured the championship, but only after the match had gone nineteen holes and had furnished an afternoon full of thrills to a gallery of 250 or more veteran golfers and their families.

It was the most brilliant match played in the tournament to date, both contestants making 79 on the 18 holes, and neither being out of striking distance of the victory until Perry laid his father in a fatal stroke on the nineteenth hole, which caused Mr. Adair to make a five or six hole putt to win the match.

Those who followed the match with the hope that they would see the match played by the father and son, were disappointed. The match was not played until the nineteenth hole, when Perry laid his father in a fatal stroke on the nineteenth hole, which caused Mr. Adair to make a five or six hole putt to win the match.

Journal Team Lost to Grocers

The crack baseball team of The Journal lost its first league game of the season Wednesday afternoon at Grant park to the Associated Grocers by the right score of 7 to 6.

Its initial defeat makes The Journal tied with the Postoffice for the leadership of the Gate City league. These two teams meet two weeks from Wednesday.

Wednesday's game was a grand little battle until the third when O'Brien's support fled to the bushes. In the next four seasons the Journal boys blew up completely, made twelve errors and never got down from the clouds.

Both sides closed the pellet average, smacking out fourteen even singles apiece. With bobbles and bingles galore, the game soon resolved itself into a riot in which everybody kept the score busy with the hits and error columns.

INVESTIGATION OF COUNTY BOARD SEEMS ASSURED

Charges of Graft Probably Will Be Taken Up at Session Next Week

Statements made by H. L. Williamson, foreman of the Fulton county grand jury, indicate there is now no doubt that a probe of the board of county commissioners will be made by that body.

However, Mr. Williamson states there has been no request by other members of the jury for a special session of the body to go into the matter, and at present he does not think a special meeting will be called.

He will wait until the grand jury meets in the next routine session and then the county board matter, including the resolution adopted Wednesday, asking a probe, will be placed before the grand jury.

Speaking of the coming probe, Mr. Williamson said: "Both sides in the commission have asked for probe, and in view of the charges I think they are entitled to an investigation. In addition, I believe the public is entitled to an investigation of these public officers, which will show the truth or the falsity of the charges made against them."

SPEAKS AS INDIVIDUAL. Mr. Williamson made it very clear that he spoke only as an individual member of the grand jury, and any action which is taken, of course, depends on the will of the majority of the members of the organization.

In regard to the request of the board of county commissioners that the hearing be public, Mr. Williamson stated that personally he is inclined to follow the request of the grand jury is allowed to do so by law.

The matter of public sessions of the grand jury was considered by the last jury during the probe of the conditions in the county convict camp, and it was decided it would not be lawful for the jury to have a public hearing.

However, lawyers say the grand jury can resolve itself into a committee of the whole to make an investigation and the committee can hold open sessions. Then, of course, the committee could report to the grand jury in regular session and any action by the body could be taken in the usual secret session.

As to the manner in which the proposed investigation will be conducted, no statement from the members of the body can be obtained.

However, it is thought the men who hurried accusations of improper conduct at each other during the recent campaign, will be called on to prove their charges.

PROOF IS PROMISED. Tull C. Waters, chairman of the board who was defeated for re-election, made repeated charges not of graft, but misconduct in office, against three members of the board, Shilby Smith, B. L. Furman and W. T. Wynn. He declares he can prove every assertion made in the campaign and he stands ready to prove them before any jury or investigating body.

The commissioners mentioned and Oscar Mills, who defeated Mr. Waters, all replied with counter charges, and they say they are ready to prove their charges.

According to the solicitor, general's office no session of the grand jury for routine matters has been called, and none is likely until next week, when only during the latter part of next week.
